

minerva[®]

BATHROOMS

CARYSIL

welcome to **minerva**[®] bathrooms

All **minerva**[®] products are supplied with smooth factory machined face and edges, all finished by hand.

minerva[®] the home of practical and solid worksurface material, manufactured using state-of-the-art technology.

Delivering a luxurious appearance, cool pleasing touch and robust performance day in, day out. With a 10-year guarantee against manufacturing defects, style is not compromised for quality. Imperceptible, seamless joints with full design flexibility. Aspirations are a reality. Whether you dream of sweeping curves or contemporary lines, **minerva**[®] offers the flexibility to meet all your design needs without the cost of specialist installation. Please take a look through our brochure and contemplate some of the possibilities. Your imagination will provide the rest!

1600mm x 550mm x 145mm

MVSE205DBL
2050mm x 550mm x 145mm

minerva® sills, skirting & recessed niches

sills

Sizes available:
Length: 610mm | 1510mm
Width: 230mm | 350mm
Thickness: 12mm | 25mm

Note: see vanity tops for full range.

skirting

Sizes available:
3050 x 70 x 12mm
3050 x 150 x 12mm

Bathroom niches, sills and skirting are fabricated from 12mm solid surface **minerva**® material and niches can be easily recessed vertically or horizontally into your bathroom project.

Because **minerva**® is easy to cut, it is possible for you to add concealed lighting to your niches to make your design pop or shape your sills and skirting to fit the job.

Available in the full palette of **minerva**® colours.

niches

300mm niche
